

The Academy Charter School is proud to support our scholars and honor the hard work that they do. In this effort, The Academy is sponsoring its First Annual International Golf Tournament, which will be held on Monday, August 29, 2022, at Eisenhower Park, East Meadow, New York.

We invite you to support this event by donating, as outlined on our golf webpage at [www.academycharterschool.org](http://www.academycharterschool.org) and in our brochure. Donations are tax deductible under section 501(c)(3) of the Internal Revenue Code. We depend on your generosity to help us provide the best opportunities for our youngsters.

Your contribution will go a long way to help us provide the level of support our scholars need and deserve. Thank you for considering a donation to this very worthy cause. If you have any questions, please contact:
