Dear Families/ Parents:

As we prepare for the various activities until the end of the current school year, I want to remind you that you are required to apply for bus transportation from your home district for the 2023-2024 school year.

Please note that parents of all students must apply for busing before the April 1, 2023 deadline. You may access your home district information by selecting the link on the Academy Charter School website. Districts are not required to accept applications after this date.

Sincerely,

Dr. Nicholas Stapleton

Chief Academic Officer
